

Dyslexic Math Tools & Programs

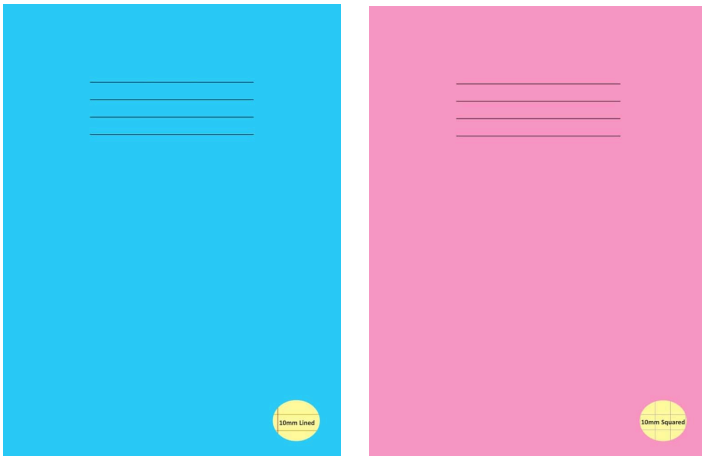

TOOLS:

Grid and Visually Sensitive Notebook

Amazon Link Blue Option: <https://a.co/d/1pvcVwf>

Amazon Link Pink Option: <https://a.co/d/eSEiEPb>

The various colors relate to the size of the grid. I have found that the 10mm is perfect for all learners. (Pink and Blue option) For much older students who write small, the green 7mm could be an option.

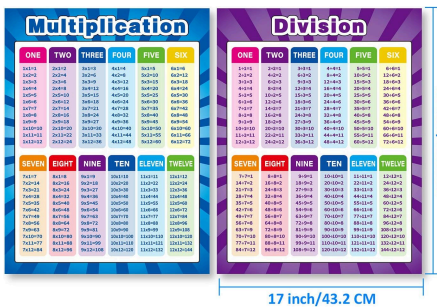

Multiplication Chart and Pop it
